

**ALGIERI TRADUCCIONES** has developed this Quality Policy for the following scope:

“Translation and review of texts on Health Sciences, Medicine, Pharmacology, Clinical Research, Aeronautics, Legal and Certified translations, from English to Spanish and from Spanish to English, certified or not”.

**Commitments:**

- Comply with the requirements of the client and other interested parties, including the legal requirements that apply to our business.
- Meet the needs of our customers and understand their current and future expectations.
- Maintain values, impartiality, and ethical models for behavior at all levels of the organization.
- Establish a culture based on trust and integrity.
- Foster people's commitment to quality, ensuring they recognize their contribution to the effectiveness of the quality management system and the benefits of improved performance.
- Manage processes and their interrelationships as a system to achieve the organization's quality objectives in an effective and efficient manner.
- Implement continuous Improvement in all processes of the quality management system.
- Ensure the security and confidentiality of client information during its management.
- Establish collaborative development and improvement activities with all members of the organization and service providers.

ALGIERI TRANSLATIONS Management is committed to providing the necessary resources for communicating this Policy, implementing it, continuously adapting it to the purpose of the organization and ensuring its accessibility to all interested parties. According to the requirements established by the IRAM/ISO 9001:2015, ISO 17100:2015, IRAM 13650:2023 standards.
